

Proceedings of Alumni meet held on 14-07-2018, College of Agriculture, Rajendranagar.

- Registration of Alumni from 1950 to till date, total 216 members registered
- Formal inaugural of Alumni meet with lighting of lamp by Chief Guest Sri C.Partha Saradhi, Principal Secretary (APC), Dr.D.V.V.Reddy, DSA, and Dr.J.Satyanarayana, A.D
- Associate Dean welcomed the gathering.
- Followed by brief presentation by Dr.P.C. Rao, about College History, Alumni background and explained about the constitution and bylaws framed by the Alumni Association.
- The chief guest Sri. **C. Parthasarathi**, IAS & an alumnus cherished his memories as a student of this college with the gathering. Emphasized that Alumni must re-orient their goals and tasks to be taken up. He indicated that Alumni Association must be revived and suggested for formation of Adhoc body to take up necessary steps for the Revival of Association.
- Dr. D.Vishnuvardhan Reddy, DSA, PJTSAU re-iterated the need for formation of Alumni Association for future ICAR Accreditation. He exhorted the Alumni to take part actively in future activities of association and requested them to express their views and suggestions in the formation and setting up of the goals for the Association.

ALUMNI VIEWS AND SUGGESTIONS:

Dr. M.Sudharshan Reddy, Dean of Agriculture (Retd.) (1968 Batch)

- One more similar interactive meeting at the college for the benefit of the alumni who could not participate at present.
- In future similar kind of alumni Association at the University level may be formed.
- He requested for the inclusion of alumni who are doing farming as a member of Adhoc Committee.

Shri P. Ramachandra Murthy, CEO, Interface (1974 Batch)

- At the outset he appreciated the Alumni batches who instituted Gold Medals. He felt the need for inspiring and encouraging the younger generations to sustain a connect.
- He expressed the need for the canteen of International standards at the college immediately.
- He emphasized the significance of the vibrant Alumni Association by taking up Nation Building activities.

Dr. B. Malla Reddy, IPS (1977 Batch)

- He stressed that association should take up simple implementable, practicable steps (Activities) to reach the newer heights as, by aiming high in the beginning may not be practicable.
- He suggested for the affordable membership to involve every alumni in the association.

Sri D. Srinivasa Chary, Senior Manager, Andhra Bank (1978 Batch)

- He emphasized the need for quarterly interactive meets of the alumni with young generation
- to build a connect and establish verticals connecting both past, present and future student generations.

Sri Vidyasagar Reddy, (1978 Batch)

- He felt the need for flow of technologies from lab to land and suggested the alumni to identify one or two technologies of the university and make efforts to propagate them.
- Further for doubling the farmer income focus on the area like organic farming NPM, women in agriculture and work in line with the university in these areas.

Sri B. Santosh Rao, (1982 Batch)

- He suggested the need for resource mobilization first and its effective utilization and
- Frequent interaction of the association.

Sri T. Sanjay, (1985 Batch)

- He emphasized the association to take up transfer of technology to the farmers.
- He came forward for creating a format for online Registration and facilitating Alumni meets through video conferences.
- He suggested continuous communication by the Association with the other stakeholders by conducting conferences and meets.
